

Kidney Cancer Association™

GET INVOLVED

KCA Ambassadors

KCA Ambassadors are passionate about kidney cancer and about sharing their passion with others. Take your interests and skills and Orange Up! Here's how:

SHARE OUR RESOURCES

We need you to get kidney cancer resources into the hands of your health care team! Tell physicians in your community about the KCA's educational materials and order our Just Diagnosed Toolkits for healthcare teams to distribute to patients and caregivers.

GUEST BLOG

We will work with you to craft a guest post for the KCA blog. You can share your diagnosis, interview a caregiver, find tips for managing side effects, or shed light on a different part of the cancer journey. Our readers would love to hear from you!

CHAMPION THE KCA

Let your friends and family know what matters to you by adding "KCA Ambassador" to your email signature and a link to the KCA website. Tell them how they can Orange Up too!

DONATE

Did you know every dollar given goes directly to kidney cancer care and research? Give today. **We need you!**

SHARE YOUR STORY

Stories last forever, but only if you share them.

FUNDRAISE

Get creative and plan a fundraising event in your community!

ADVOCATE

Contact your legislators to advocate for more kidney cancer research funding. Invite friends and family to do this with you!

SPORT THE ORANGE

Order your favorite KCA swag from our store and represent the KCA around town. Post your pics online or send us a photo!

SOCIAL MEDIA SUPERSTAR

Share the KCA's posts or create your own. Tag #KidneyCancer and #UnstoppableTogether

GET ACTIVE

Participate in the KCA's 74K Challenge in June!

Ambassador Pledge

OUR PLEDGE TO YOU

The KCA pledges to value contributions, ideas, and efforts from KCA Ambassadors and will include you in important information designated for KCA internal stakeholders. We will rely on you to be our eyes, arms, and voice in your community.

YOUR PLEDGE TO THE KCA

As a KCA Ambassador, I pledge to support the mission, values, and goals of the KCA and share this passion with others to make a meaningful impact to the kidney cancer community.

To become a KCA Ambassador, take this pledge and sign up at [kidneycancer.org/kca-ambassadors!](https://kidneycancer.org/kca-ambassadors)

Keep up with us for special ways to Orange Up! throughout the year through Kidney Cancer Awareness Month, Patient Symposiums, and more!
